IN RE: "AGENT ORANGE" PRODUCTS LIABILITY LITIGATION

MDL No. 381

#### ORDER DENYING TRANSFER

Before the entire Panel\*: Defendant Monsanto Company (Monsanto) moves, pursuant to 28 U.S.C. § 1407(c), for transfer of one Southern District of New York action and 161 Southern District of West Virginia actions listed on Schedule A to the Eastern District of New York for inclusion in MDL No. 381. Monsanto represents that the other defendants – Apogee Coal Company, LLC, Flexsys America Co., Flexsys America L.P., Pharmacia Corp., and Solutia, Inc. – consent to the transfer of these actions to MDL No. 381. Plaintiffs in all actions oppose the motion for transfer.

After reviewing the argument of counsel, we find that Section 1407 transfer of these actions to the Eastern District of New York would not necessarily serve the convenience of the parties and witnesses or further the just and efficient conduct of this litigation. Proceedings in MDL No. 381 are completed, and the issues raised in these actions appear at this juncture only peripherally related to the core issues in MDL No. 381.

The actions previously centralized in MDL No. 381 arose from the exposure of servicemen and others to Agent Orange, a toxic herbicide used as a defoliant in Vietnam during the Vietnam War. Plaintiffs have included veterans, both American and foreign, their family members and civilians. Defendants have included manufacturers of Agent Orange, the United States government, and various federal agencies and officials. Cases transferred to MDL No. 381 have involved allegations of exposure in various locations, times and circumstances around the world.

Plaintiffs in the actions before the Panel allege that Monsanto manufactured the herbicide known as 2,4,5-trichlorophenoxyacetic acid (2,4,5-T) – a component of Agent Orange – at its plant in Nitro, West Virginia, and that exposure to contaminants originating from this plant caused them to develop cancer. In view of the nature of the claims in these 162 actions, we are not persuaded that any factual questions they may share with the actions previously centralized in MDL No. 381 are sufficient to warrant transfer, especially given the unique nature of this docket and its current status.

<sup>\*</sup> Judges Miller and Trager took no part in the decision of this matter.

The Panel ordered centralization of MDL No. 381 in May 1979. If reopened to accommodate these cases, this litigation would be our oldest active docket by date of origin, having been closed and reopened several times and having included over 630 cases. Over three decades, Judge Jack B. Weinstein has issued innumerable important and wise decisions and has skillfully resolved many difficult cases. At this time, no cases remain pending in the transferee district. Multidistrict litigation is not static. After a certain point, the benefits of transfer should not be assumed to continue. Considering the overall objectives of Section 1407, that is true here.

IT IS THEREFORE ORDERED that the motion, pursuant to 28 U.S.C. § 1407(c), for transfer of these actions is denied.

WHEREAS, the parties have engaged in extensive discovery and have had the opportunity to fully and completely test the other's factual and legal theories;

WHEREAS, the parties have engaged in protracted, repeated, and arms length negotiations under the supervision of an experienced Court appointed mediator and member of the Bar which have resulted in a preliminary agreement to resolve this matter;

WHEREAS, the parties have agreed to this settlement to avoid the uncertainty and expense of class proceedings and a trial on the merits:

WHEREAS, this Court preliminarily approved the settlement of the parties at a hearing that occurred on March 7, 2007;

WHEREAS, this Court prescribed written notice which was sent to the physical address of every property located within three and one half (3½) miles of the defendant's facility and which was published in both the <u>Braxton Citizen News</u> and the <u>Braxton Democrat Central</u>, as ordered by this Court;

WHEREAS, capitalized terms herein shall have that meaning prescribed by the parties in their Class Action Settlement Agreement;

WHEREAS, the Court has carefully considered each item of correspondence regarding the settlement that was received by the Clerk in response to the Class Notice, as invited therein; and has carefully considered the arguments and evidence presented by those who attended the final Falmess Hearing held by this Court on April 27, 2007;

WHEREAS, the Court hereby adopts and incorporates the Findings of Fact and Conclusions of Law entered herewith, and hereby ORDERS as follows:

- 1. The Court hereby GRANTS the Parties' Joint Motion for Final Approval of Class Settlement pending before this Court and thereby issues judicial approval of the settlement embodied in the parties Class Action Settlement Agreement and Exhibits A through D attached thereto as fair, reasonable, adequate and, in the best interest of the class in all regards.
- 2. The Court hereby certifies the class, for settlement purposes only, as a mandatory class under West Virginia Rule of Civil Procedure 23(b)(2) consisting of: any and all persons who are or who have been, as well as any all property both real and personal, that is or has been, within three and one-half (3½) miles of the Appalachian Timber Services, Inc.'s facility in Sutton. West Virginia since the beginning of its operations in 1972.
- 3. The Court hereby rules that the Notice to Class Members was served as ordered and constitutes the best practicable notice possible under the circumstances.

- 4. The Court hereby names as a Class Counsel both the The Calwell Practice
  PLLC, and the Law Office of Vincent Trivelli PLLC; the Court determines that the fees and costs incurred by Class Counsel are reasonable and, upon Final Judicial Approval, in accord with the terms of the parties' Class Action Settlement Agreement, shall be paid to Class Counsel in the amount of Five Hundred Forty-Four Thousand Five Hundred Ninety-Two and 75/100 Dollars (\$544,592.75) for fees and Four Hundred Fifty-Five Thousand Four Hundred and Seven and 25/100 Dollars (\$455,407.25) for costs that were reasonably incurred in prosecuting this matter on behalf of the Class. Thus, the Court this GRANTS Class Counsels' Motion for Awarding of Attorney's Fees and Expenses.
- 5. The Court having considered the issues, queries and objections raised by those who corresponded with the Clerk and who appeared at the Final Fairness hearing, does hereby DENY all such objections.
- 6. The Court hereby rules that Class Members shall be bound by the Settlement Agreement signed by the parties on this date and shall be deemed conclusively to have settled and released the Settled Claims, as defined in the Settlement Agreement, against the defendant and all other Released Parties and to have covenanted and not to file suit against the defendant or the Released Parties with respect to any of the Settled Claims.
- 7. The Court hereby grants a full and final release to all Released Parties under the Settlement Agreement of all Settled Claims as defined in the Settlement Agreement.
- 8. The Court hereby forever bars and permanently enjoins any class member from filling, initiating, asserting, or prosecuting any further suit of any Settled Claim against the defendant or any other Released Party.

#### FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter is before the Court on the parties' Joint Motion for Final Approval of Class Action Settlement. After considering their Joint Motion, the evidence and argument presented at the Final Fairness Hearing and the written correspondence received by this Court from Class Members, the Court makes the following Findings of Fact and Conclusions of law.

#### **Findings of Fact**

- Since 1972, Defendant Appalachian Timber Services, Inc. ("ATS") and its
   predecessors in interest have operated a creosote treatment facility in Sutton, West Virginia.
- 2. The facility has, over the years, used various substances to treat wood with preservatives intended to prevent or retard the deterioration of wood generally used for railroad and bridge applications.
- Odors and some emissions result from operations at the facility, which is regulated by the West Virginia Department of Environmental Protection and the United States Environmental Protection Agency.
- 4. Plaintiffs filed this putative class action on September 29, 2003. Their Complaint alleges causes of action for nuisance, trespass, negligence, negligence per se, and punitive

damages. It sought damages for property damage, personal injury and medical monitoring resulting from the odors and emissions released from the ATS facility.

- Defendant denied all of the plaintiffs' claims and their right to proceed as a class.
   On October 16, 2004, plaintiffs voluntarily dismissed their personal injury claim.
- 6. Substantial discovery has occurred. Both sides have served and responded to written discovery. Both have subpoenaed third parties and thoroughly investigated the case. More than forty fact and expert witness depositions were taken, and nearly a dozen expert reports were issued. Each side filed pre-trial motions with the Court that had been fully briefed and argued. A hearing on plaintiffs' motion to certify a class was scheduled for February 21, 2007.
- 7. This Court appointed Robert Allen, Esq. as a mediator. He has nearly four decades of experience as a member of the Bar and officer of this Court. The Parties negotiated over the course of more than one year. At least four separate in person mediation sessions were held on various dates in 2006 and 2007. Five separate insurance carriers were parties to and present at these negotiations. The presence of so many parties to numerous mediation sessions overseen by an experienced, court appointed mediator renders any collusion nearly impossible in this case. The Court finds that none occurred. On February 8, 2007, the parties again mediated the case and reached a preliminary agreement.
- 8. Class Counsel is among the most experienced of plaintiffs' environmental law firms in the state. Defendant was represented jointly by counsel from the largest law firm in both West Virginia and Virginia. Each of the five carriers had separate, experienced coverage counsel, as did defendant.
- 9. This Court issued an Order of Preliminary Approval on March 7, 2007, defining the class, naming class representatives and class counsel, preliminarily approving the terms of the Settlement Agreement, approving the Notice to be sent to class members, and prescribing the methods of Notice setting a Final Fairness Hearing in this matter.

- 10. Defendant has complied with this Court's Order of Preliminary Approval by sending the approved Class Notice to each of the 1,655 addresses within three and one-half (3½) miles of the facility, as evidenced by the Affidavit of Service executed by Pete Fiske, a copy of which was received in evidence at the Final Fairness hearing without objection.
- 11. Defendant has complied with this Court's Order of Preliminary Approval by publishing the Class Notice in the Braxton Democrat-Central, as evidenced by the affidavit of Craig A. Smith dated April 20<sup>th</sup>, 2007, a copy of which was received at the Final Fairness Hearing without objection.
- 12. Defendant has complied with this Court's Order of Preliminary Approval by publishing the Class Notice in the Braxton Citizen's News, as ordered by this Court, as evidenced by the affidavit of Edward R. Given, dated April 20<sup>th</sup>, 2007, a copy of which was received at the Final Fairness Hearing without objection.
- 13. The mailed notices along with the publications in the two local newspapers of general publication in this County provided the interested parties and the potential class members a fair, reasonable and adequate notice of: (1) the proposed settlement,(2) the date and time of this hearing; (3) their opportunity to file written objections prior to the hearing; and (4) their opportunity to attend the hearing and be heard in favor or against the proposed settlement.
- 14. The court notes that the Class notice, which invited written objections, prompted fewer than fifteen pieces of correspondence to the Court, only two of which raise any material objection to the settlement. Only one of those two objections was received timely, according to the deadline imposed in the Class Notice. The remaining objection, filed by Mr. Robert Facemire, clearly demonstrates the absence of the knowledge of any bodily injury necessary to include his bodily injury claim among the Settled Claims, exempting his bodily injury claim from this settlement and largely mooting his objection.

- 15. The Court notes that three individuals personally attended and lodged objections to the settlement at the Final Faimess Hearing. The three individuals were Craig Smith, Nelda June Bragg and Joan Bias. During the hearing Joan Bias withdrew her objection to the settlement.
- The Court finds that Craig Smith, Nelda June Bragg and Joan Bias clearly demonstrate the absence of the knowledge of any bodily injury necessary to include their bodily injury claim among the Settled Claims, exempting those claims from this settlement. The Court further Finds that Craig Smith does not have the knowledge necessary under the terms of the Settlement to include his claims among the Settled Claims notwithstanding his inclusion in certain blood tests undertaken during discovery in this matter.
- The Court notes that throughout the time that this matter has been before this Court, including the fairness hearing, no evidence has been produced that demonstrates that any member of the Settlement Class possesses the requisite knowledge based on competent medical evidence, to include a bodily injury claim among the Settled Claims. The Court is thus presently aware of (and the parties profess knowledge of) no member of the Settlement Class who has demonstrated that he or she possesses the requisite knowledge, actual or constructive, to include a bodily injury claim among the Settled Claims.

#### Conclusions of Law

- 1. Under West Virginia Rule of Civil Procedure 23(e), the settlement of claims of a certified class is subject to court approval.
- 2. The similarity of Rule 23 to the Federal Rules of Civil Procedure (hereinafter "Federal Rule 23(e)") makes a review of federal precedent appropriate in arguing in favor of approval of the Settlement Agreement. See State ex rel. Ball v. Cummings, 208 W. Va. 393, 399, 540 S.E. 2d 917, 923 (1999).
- 3. The following "fairness" factors are relevant in considering the final approval of a class action settlement: (1) the posture of the case at the time settlement was proposed; (2) the

extent of discovery that had been conducted; (3) the circumstances surrounding the negotiations; and (4) the experience of counsel. See Flinn v. FMC Corp., 528 F.2d 1169, 1172-73 (4th Cir. 1975). These factors address whether the settlement is the "result of good-faith bargaining at arm's length, without collusion . . . ." In re Jiffy Lube Sec. Litig., 927 F.2d 155, 159 (4th Cir. 1991). The Court concludes that each factor weights in favor approving the settlement.

- 4. The Court's finding that substantial "discovery has been completed and the cause is [nearly] ready for trial is important, since it ordinarily assures sufficient development of the facts to permit a reasonable judgment on the possible merits of the case." Flinn, 528 F.2d at 1173. The Court concludes that discovery is largely complete and that each side has had adequate opportunity to discover the case fully.
- 5. The absence of any collusion is an important factor in approving the settlement. See Flinn, 528 F.2d at 1173. The Court concludes that the settlement is not the product of any collusion.
- 6. The Court concludes that the opinions of experienced and well-informed attorneys, such as those involved on behalf of the parties and the carriers in this case, are entitled to due weight in evaluating the settlement. See In re Jiffy Lube, 927 F.2d at 159 & n.1. The Court notes that all counsel believe the settlement to be in the best interest of the parties and the Class and the Court concurs.
- 7. The Court concludes that an absence of any "fraud, collusion, or the like, [and is] hesitant to substitute its own judgment for that of counsel." *Cotton v. Hinton*, 559 F.2d 1326, 1330 (5th Cir. 1977) (citing *Flinn*, 528 F.2d at 1173).
- 8. The Court concludes that that Notice described above was the best practicable under the circumstances.
- 9. The Court concludes that the lack of opposition to the settlement, following adequate notice, "strongly supports a finding of adequacy." *In re MicroStrategy, Inc. Secs.*

.-

Litig., 148 F. Supp. 2d 654, 667-68 (E.D. Va. 2001). The Court concludes that there is no substantial opposition to the settlement.

- The Court concludes that the settlement is fair and reasonable in all regards. 10.
- The Court concludes that the settlement satisfies West Virginia Rule of Civil 11. Procedure 23(b)(2).
- 12. The Court concludes that the fees in the amount of \$544,592,75 and expenses in the amount of \$455,407,25 incurred by Class Counsel in prosecuting this matter were fair and reasonable.
- 13. The parties have demonstrated that the proposed Settlement Agreement is both Furthermore, this Court has already preliminarily made the same fair and adequate. determination. Nothing has occurred in the interim that should cause the Court to change its conclusion.
- 14. For the foregoing reasons, the Court hereby finally concludes that the Settlement shall be judicially approved.
